

Technical Skills: HTML, CSS, JavaScript, Python, keras, C++, Flask, MySQL, GitHub, Canva
Certifications: IIRS Geospatial Analysis, Google Cybersecurity, Udemy International Relations

Education			
Board	Tenure	Educational Institution	CGPA/Percentage
B-Tech (CSE)	October 2023 - Ongoing	VIT Bhopal University	8.92/10
Class XII	2023	Jai Academy Jhansi	68.7 %
Class X	2021	Christ The King College Jhansi	87 %

PROJECTS	
Drug Interaction checker	- Developed a Drug-Drug Interaction Checker using Gen AI (Ollama model) for discovering interactions in new medicines and neural networks with Keras for existing medicines. - Built with Python, Flask, and SQLite for backend, React.js for frontend, and integrated API for real-time drug data updates. - Applied machine learning for accurate predictions and implemented user authentication for secure access.
Pashu Palada	- Developed a system for managing abandoned animals, tracking species, health status, disease history, and treatments. - Built with Html, CSS, JS, Flask, and MySQL for efficient record-keeping and real-time updates.
WeatherPlay	- Developed a Flask-based web app to predict match suitability using a Gaussian Naive Bayes model. - Integrated a pre-trained machine learning model into a multi-page web interface built with HTML, CSS, and Flask for seamless interaction.
Expense Tracker	- Developed a minimalist web app for logging and tracking expenses using HTML, CSS, and JavaScript. - Provides real-time updates on spending habits and budget management, enabling users to manage their finances efficiently.

INTERNSHIP EXPERIENCE	
SpWeb@Devs	WordPress Development Intern SpWeb@Devs (Virtual) Apr 2024 - Jun 2024 (1 month) Themes, Plugins, Elementor, WordPress
CodeAlpha, Virtual	Frontend Web Developer Intern Code Alpha (Virtual) Feb 2024 – Feb 2024 (1 month) - Worked on HTML, CSS, JavaScript, and API integration through three projects. - Developed dynamic web applications and improved frontend development skills.

EXTRA-CURRICULARS	
Responsibilities	- Technical Team Member (MERN Stack Club) - Technical Team Member (Ganga Bhumi Club) - Technical Team Volunteer (Microsoft Club)
Extracurricular	Diploma in Tabla - Indian classical percussion

ADDITIONAL INFORMATION	
Hobbies	Blogging, Reading
Languages	English, Hindi
